# Gather Around

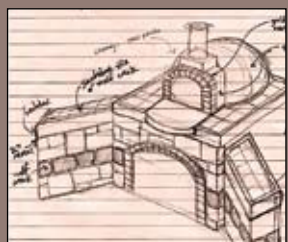

Come together in the open air. Dine by candlelight beneath the stars and escape the inside world. Find serenity in fresh flowers and garden walls. Borders, insets and stone accents complement your design and create your personal paradise. The one of a kind beauty of natural stone will make your living space unique. Share the old world look and feel with your family and friends. Landscaping with natural stone from Madison Block & Stone will transform your world for the better.

Fond du Lac Snapped Wallstone

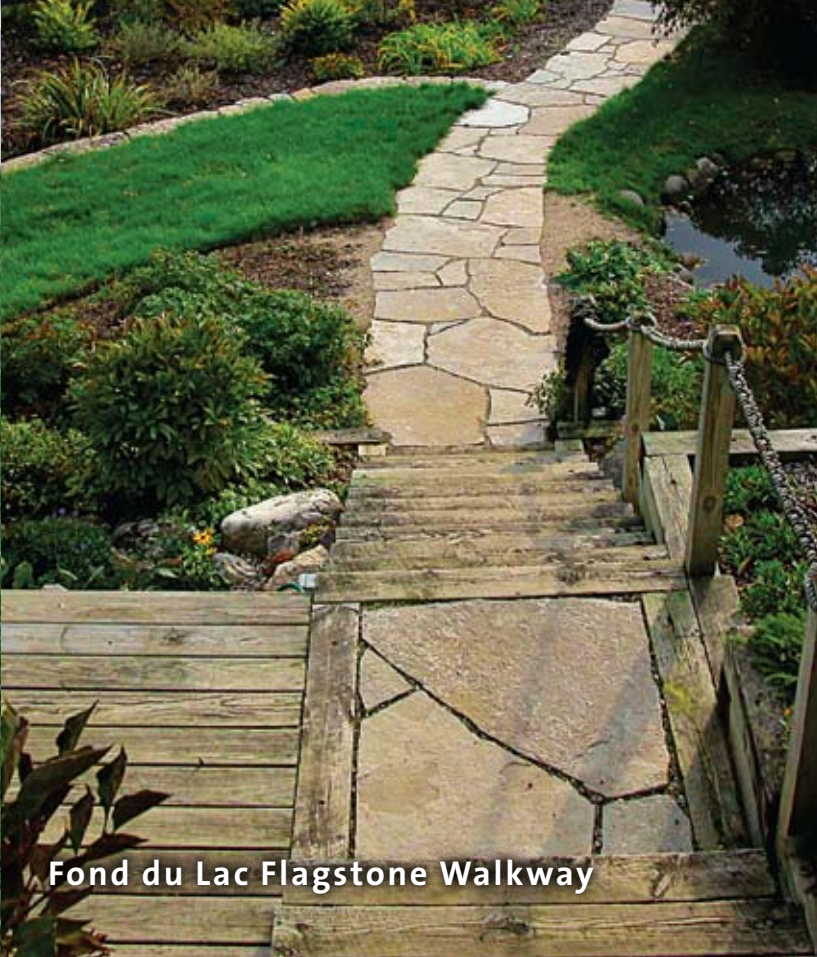

Calico Flagstone

Reclaimed Fond du Lac Veneer with Wolf Creek Flagstone banding. Seat Walls-Gold Northern Wall Stone. Wall Cap-Tennessee Hearth stock.

## Your Place, Your Escape

Step slowly to the rhythm of the waterfall splash as you wind down the bluestone walkway. Dreams take shape during evening conversations on the patio. Laughter echoes across the pond. Let us be the guide to building your perfect outdoor living space. Choose locally quarried stone in the largest array of colors, shapes and textures. Discover the beauty of your personal landscape only at Madison Block & Stone.
